BACKGROUND

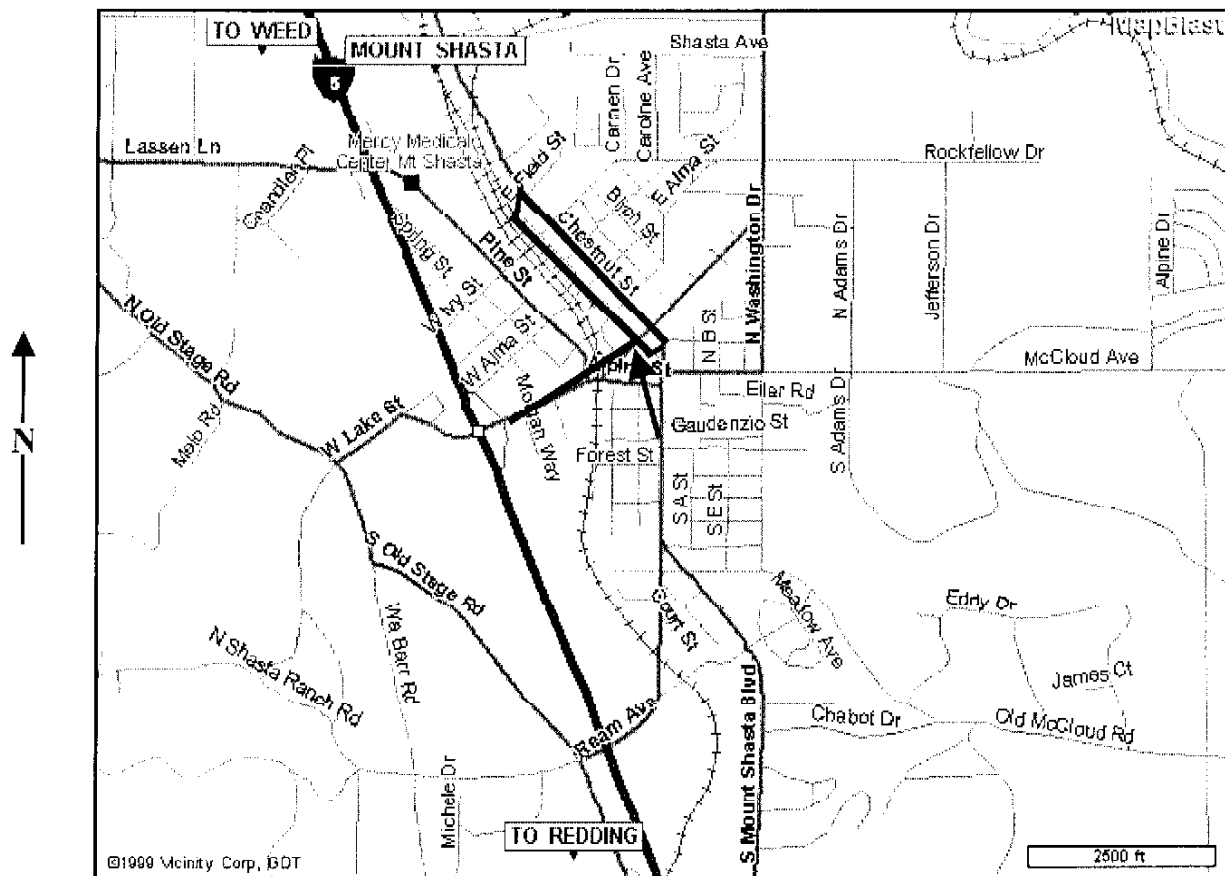

The County has completed Project Study Reports on two new roadway reconstruction projects and have amended them into their 1998 RTIP. These two projects, totaling \$3,890,000, are to be funded from Regional Improvement Program (RIP) funds that are currently in Siskiyou County's Unprogrammed County Share Balance. Siskiyou County is requesting that both projects be state-only funded; the City of Mt. Shasta project is on a non-federal aid route and the City of Yreka project is on a federal aid route.
